INTRODUCTION

The 6th edition of the EYE SOCCER LEAGUE marks a symbolic milestone: we are proud to be recognized today as the largest and most prestigious tournament in the Grand Est region.

We owe this success to all of you: professional and amateur clubs, volunteers, service providers, partners... Everyone contributes in their own way to writing this wonderful adventure.

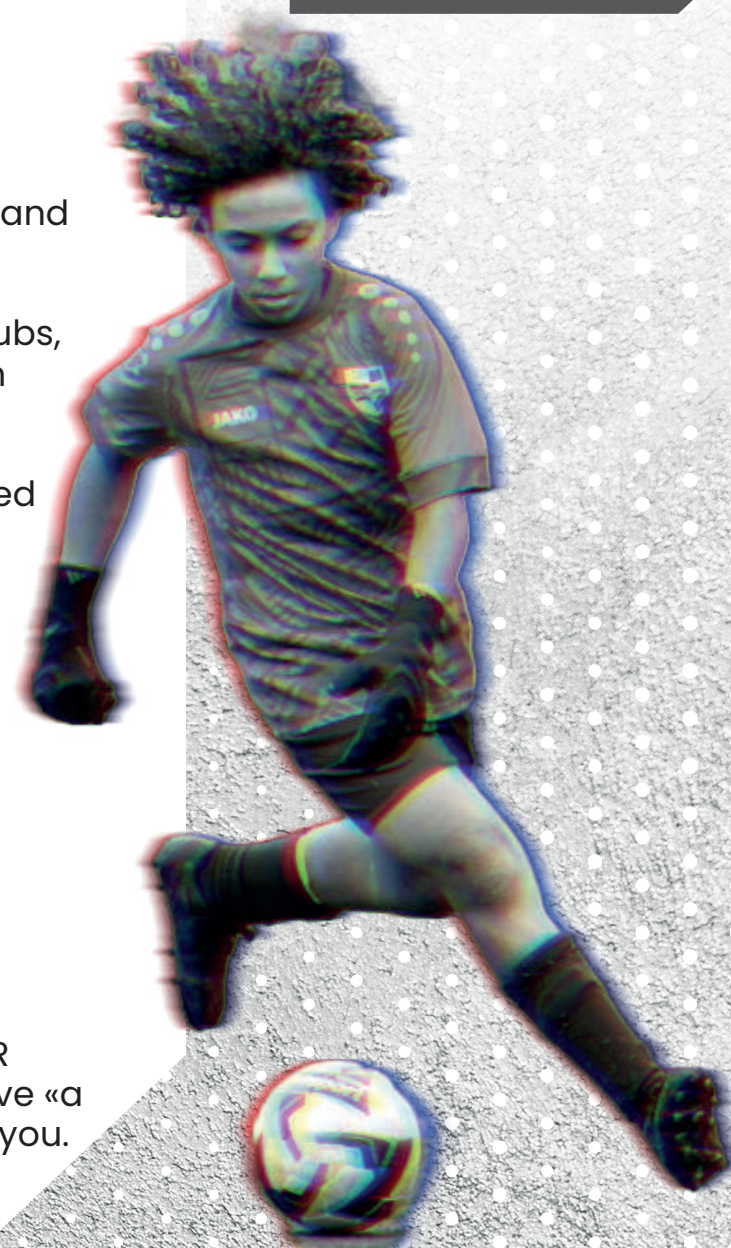

It is important to remember that this success has been achieved entirely independently : without the help of official football associations (District Mosellan, Ligue Grand Est) or local authorities (Eurodépartement Moselle, Région Grand Est).

You get the picture: we are going our own way... and we are making rapid progress.

In 2026, we will go one step further:

- with facilities that are worthy of the event,
- renowned teams,
- a unique program designed by Eye Soccer,
- entertainment throughout the weekend.

Whether you're a professional or amateur club, the EYE SOCCER experience is a must for all soccer enthusiasts. Because we have «a different perspective on soccer»... and we want to share it with you.

THE EYESOCCER CIRCLE

Since the first edition, the board has remained unchanged, **a complementary and always supportive team** that welcomes you in the best conditions.
